Event title: DOMAIN EVENTS

❖ *For CSE & IT:*

- Debugging the program
- Coding

❖ *For ECE:*

- Electropuzz
- EC Champs

❖ *For EEE:*

- Travel along electricity
- Glow up

❖ *For MECH:*

- Robotics
- Drive a car

❖ *For CIVIL:*

- CAD
- Bob the builder

Entry fee: 50 per head

Rules and Regulations:

- Debugging:
 - A program with a simple error will be given and the participant need to debug it within the time limit.
 - No use of electronic gadgets
 - Misbehavior is strictly prohibited

➤ Coding:

- A sample output will be given and the code need to be designed by the developer in the given time limit
- No use of electronic gadgets
- Misbehavior is strictly prohibited

➤ *For ECE:*

➤ Electropuzz:

- Technical words will be displayed in the mirrored way and the participant should find the word displayed and write within te given time.
- No use of electronic gadgets
- Misbehavior is strictly prohibited

➤ ECE Champs:

- The participant should select 5 letters from A-Z and a 20-20 puzzle board will be displayed where in every turn they can pick another word and frame a technical word using those letters and the chances of picking the letters are restricted to 5.
